## *President's Notes*

This week we had an inspirational talk from our own Dr Daryl Moran about the fantastic efforts of the Earlyact Club that Daryl has established at his school. Fifteen ten year olds raised enough money to send 35 specially built wheel chairs to send to a developing country -each chair cost \$200- an amazing effort from 'Little Rotarians'!

We have 2 important events coming up that need your support. The 'Girls Night Out' on Wed 31st May and the 'QuizzaMe Trivia Night on Friday 9th June.

The Girls Night Out is a great, fun night, raising money for Breast Cancer Research. It is a 3 Course Dinner with the Guys waiting on the Girls. \$60.

The QuizzaMe Night is Trivia on steroids! All electronic- fast and fun. \$25. The money raised will go to the Rotary Foundation for the Centennial celebration. It is a Knox Cluster event, run by us - so get a table together or we can organise one for you.

Please support both of these functions. Any possible raffle prizes/ hamper contributions will be greatly received.

Heather Eddy

***From our outbound exchange student***

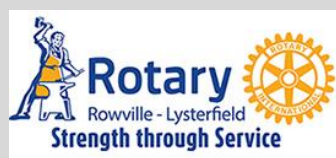

Hello everyone

This past month I've had a few ups and downs, homesickness hit me pretty hard towards the middle of the month but my host family and friends just kept me busy. Last weekend Rotary had organised a 4 day trip to Assisi and Rome with all the other exchange students in my district and it was the most beautiful experience of my life. I saw the tomb where St Francis is, the Vatican, the Trevi fountain, coliseum and much more. I've bonded with the other exchange students more than I have with anybody in my life and felt like I truly understood the meaning of this student exchange. Because I was mostly friends with the Canadians and Americans all the other Australians have said that I'm losing my accent and becoming American so maybe I'll have to call home a bit more! A couple days ago I changed families to a family with 2 girls. One is 10 years old and one the same age as me and they are already planning to show me a bit more of Italy because they don't work as much as my previous family, I'm settling in well, I thought it would be much harder to change but my new family talks a lot more and has been extremely welcoming we've already gone out for gelato.

Kind regards Victoria Pizzi
