President's Notes

It was good to see some of our overseas travellers back at Rotary this week. Ex-President Kevin capably reflected the community view on Channel 9 news this week in relation to a proposed Beach Park in Rowville.

We discussed the need to find local projects to which to direct our energy and the need to remain relevant to the next generation. Several good ideas came from the discussion. The challenge now is to implement them.

Marcus challenged us with a list of Commonyms. For those unfamiliar with these it is a list of three things that have something in common.

e.g. A male goat A Dollar A Male Rabbit = BUCKS

We welcomed **Sajani Diffanayake**, a student from Sri Lanka to our meeting. Sajani is passionate about helping others and we hope to see her at future meetings

We were disappointed to receive resignations from Roger and Beth Booker due to demands placed on them resulting from the expansion of their accounting services business. As a result we are seeking a member to take on the Treasurer's role for the coming year.

Don't forget that we have a delay to our changeover night this year due to President elect Alan Lunghusen travelling overseas. Changeover will be held on **Tuesday 1st August**. I am pleased to advise that **Rebecca Pallinger** has accepted the role of President Nominee for 2018-2019.

We are currently working on our program of speakers for the coming year. If you have any suggestions or contacts of persons who could add to our meetings please let us know. We love to listen to people from all walks of life whether they be in business, involved in community or just a very interesting person.

Heather Eddy

(President)
