## *President' Notes*

Week one as president has already passed...surely it is only a short walk from here! Thanks to the club members again for your words of support and well wishes for my year ahead. It's now time to put our words into action. Our theme is many hands make light work so please let's pull together and create a gift. It was great to welcome two new prospective members at last week's meeting. Let's make our aim one visitor per week. I believe this is an easy target if we all ask someone during each week we should get at least one taker. Our challenge this year is to be a gift to the world. How can YOU help make the Rowville-Lysterfield gift to the world extraordinary? Bring your ideas to our meeting on Tuesday night and post in the 'Gift to the World' box. Best idea that is taken up gets a surprise!

Regards  
Kevin Harrison

## PARAPROSDOKIANS

Paraprosdokians are figures of speech in which the latter part of a sentence or phrase is surprising or unexpected and frequently humorous. Apparently Winston Churchill loved Paraprosdokians. I will share some over the coming editions of the newsletter.
