President' Notes

Last Tuesday we had another great meeting with a visit from assistant district governor Alma Reynolds and guest speaker paramedic Mark Bosanquet highlighting the effect of drugs in society. We also had another new membership application by Roger Booker so building our target for this coming year to being a gift to the people of Knox and beyond. Let's all remember the speech contest next week. Numbers required to help please. Our club will head up the cluster for men's health and mental health, two very important issues in our society.

Regards
Kevin Harrison

PARAPROSDOKIANS

Paraprosookians are figures of speech in which the latter part of a sentence or phrase is surprising or unexpected and frequently humorous. Apparently Winston Churchill loved Paraprosookians. I will share some over the coming editions of the newsletter.
