President's Notes

Well another fantastic week to be a Rotarian. We had the speech contest this week and what a great night. There were 100 people in attendance and a great night had by all. It was a great chance to spread the word of rotary to the people that painfully know nothing about Rotary. Don't forget to ask someone to come to Rotary this weekend.

Regards

Kevin Harrison

Ian H.S. Riseley, of the Rotary Club of Sandringham, Victoria, Australia, is the selection of the Nominating Committee for President of Rotary International in 2017-18. He will become the president-nominee on 1 October if no other candidates challenge him.

Riseley says that meaningful partnerships with corporations and other organizations are crucial to Rotary's future.

"We have the programs and personnel and others have available resources," says Riseley. "Doing good in the world is everyone's goal. We must learn from the experience of the polio eradication program to maximize our public awareness exposure for future partnerships."

A member since 1978, Riseley has served Rotary as treasurer, director, trustee, RI Board Executive Committee member, task force member, committee member and chair, and district governor.

He is also a former member of the Australian Polio Eradication Private Sector Campaign and a recipient of The Rotary Foundation's Service Award for a Polio-Free World. He and his wife, Juliet, are Multiple Paul Harris Fellows, Major Donors, and Bequest Society members.

PARAPROSDOKIANS

Paraproisdokians are figures of speech in which the latter part of a sentence or phrase is surprising or unexpected and frequently humorous. Apparently Winston Churchill loved Paraproisdokians. I will share some over the coming editions of the newsletter.

"War does not determine
who is right – only who is
left"
