## *President's Notes*

Following the board meeting last week we have come to a few conclusions.

- **NEW MEMBERS:** We need to be more proactive in getting new members in to the club. This will in turn bring with it new ideas. New ideas on how we go about raising funds for all the great ideas we have for spending the funds.
- **CURRENT FUND RAISING:** It is a basic fundamental that in order to give money away we need to have it first. Sausage sizzles are a steady income, however like a lot of things in our club it is sadly left to a few, and this is becoming tiresome for those few members. We can't stop this as we will loose about \$8,000.00 per annum.

- FUTURE FUND RAISING. We do need to be looking at how to raise money in sums larger than \$500.00 a time. The major events committee has gone by the wayside and I would like to start this again.
- MEMBER CONTRIBUTION: Please keep in mind if you would like to contribute to our club being successful in order for this to happen we need active members. We are all very busy people but sharing these responsibilities make it just a bit easier.
- TIME: ALL members need to start putting some time aside for Rotary so we can ALL benefit from this.
- ATTENDANCE, is not compulsory but I believe if we do come to the meetings we will feel a sense of belonging and this in itself will encourage us to be involved.
- PROGRAM: We also need our program to be interesting to encourage us to invite new members to enjoy our fellowship and get involved.

Regards  
Kevin Harrison

## PARAPROSDOKIANS

Paraprosdokians are figures of speech in which the latter part of a sentence or phrase is surprising or unexpected and frequently humorous. Apparently Winston Churchill loved Paraprosdokians. I will share some over the coming editions of the newsletter.
