## *President's Notes*

This week we have started the mammoth task of organising the STAND UP FOR SAFER COMMUNITIES project hoping all the cluster and our members will get involved to assist in the task. Another member has joined the centurion club this week taking us to 80%. Alan Lunghusen gave us an update on Kiriwina and shows his passion for this project and we are encouraged to get behind him on this project to find the last \$16,000 to get this off the ground. Also don't forget the handbags for Carol, if you have any doubt about what to fill the bag with call Carol and I'm sure she will offer you some good advice. Have a great week. Please remember to mention Rotary to someone this week to help our club grow.

*A big thank you to Debbie De Bruker for the pop up calendar stall at Knox City getting up about 70 plus teddy bears to give away for charity.*

*We are also looking for a good speaker for the Business Breakfast in April and also a good raffle prize for this event.*

*Enjoy your week no matter what you do. Our thoughts are with Carol Shaw at this time as she is not well and good to see Ian McLean back after his illness.*

Regards  
Kevin Harrison

## Looking for a new home

“ Looking for a good home, 1 x 4 drawer steel filing cabinet, colour light beige, condition almost as new. Going free – you pick up if possible “

This cabinet is now redundant to my needs and rather than just dump it, someone maybe could use it.

### Families and Christmas

Each year at our Christmas break up we endeavour to support families less fortunate than ourselves. You can assist in 3 ways.

- Bring a toy suitable for a child to our Christmas break-up or get it to a club member if you are unable to attend.
- Buy a few items of non-perishable food for distribution to families at Christmas. Once again bring these to our Christmas break up or arrange with a Rotarian to collect them.
- Offer to assist the Salvation Army (Rowville) in packing Christmas parcels.
