President's Notes

This week we welcomed David Ferres from the Rotary Club of Croydon. David shared his story of a battle with Prostate Cancer and also the Rotary Ride to Conference. This event that encourages Rotarians and Exchange Students to cycle to the annual District Conference raises money for Rotary Health through sponsorship of the ride.

Much of this money is used for medical research that would not otherwise attract government or corporate funding.

If you want to assist this most worthy cause and sponsor David see the link below.

Speaking on:
 "Odd encounters of the
 defence advocate"

See below for booking details and location of the Business Breakfast

David Galbally is a leading Australian QC and an authority on corporate governance and risk management issues. His knowledge stems from an illustrious legal career as an advocate for companies and high profile individuals. David now also uses his expertise to guide a number of large organisations at board level including the industry superannuation fund, TWUSUPER where he is Chairman.

As a regular speaker at conferences in Australia and overseas, David makes a powerful impact when he shares his insight into how organisations can foster a culture that values the importance of corporate governance and the effective management of risk.

The son of one of Australia's greatest criminal lawyers, Frank Galbally, David at various times has represented Australia's leading sporting institutions including the Australian Football League and Cricket Australia. He has also worked on some of Australia's most high profile and complex corporate and criminal cases.

David is often called upon to comment and give his expert opinion on legal issues that arise in the media from time to time and has been a legal commentator on 3AW's Neil Mitchell program for many years.

His past sporting appointments include the Chairman of the Melbourne Knights Soccer Club and Board Member of the Collingwood Football Club.

He is currently a Partner at Melbourne commercial law firm, Madgwicks, Chairman of TWUSUPER, former President of Alzheimer's Australia Vic, former Chairman of the Royal Children's Hospital's Centre for Hormone Research and has recently been appointed as a Member (AM) in the General Division of the Order of Australia for significant service to the community, particularly through leadership in health organisations and the provision of pro bono legal services.
