## Rowville Lysterfield

### Rotaract Giant Monopoly Night

Well done to Whitehorse Rotaract Club for their Giant Monopoly Night, which raised over \$2500 for the charity 'Launch Housing'. This charity assists people experiencing homelessness or at risk of housing insecurity to move forward in a positive way. In 2020-2021 over 15,000 Melburnians were supported by Launch Housing with holistic housing and innovative support, education, youth and specialist services.

Club members Anita, Rajeev, Daryl and Jenny participated enthusiastically, with much help from other team members, and were delighted to be declared the winning team at the end of the night.

## ANZAC Day observances—Merrijig, Mansfield and Pakenham

The ANZAC visit to Mansfield incorporated a visit to Rosehaven Hospice in Mansfield, which was an eye-opening experience.

The establishment of Rosehaven was the vision of a local Real Estate Agent, Bob Appleby, with extensive support from the local community. It is set in 4.5 acres of beautiful gardens, close to the centre of Mansfield and local medical service. The residential facility was designed thoughtfully to accommodate residents in a comfortable, family environment, with access for patients with any type of mobility aid.

Rosehaven, which is funded largely by donations and sponsorship, offers a range of services for people needing palliative care or who are living with a life limiting illness.

**Respite services** are offered as either day respite, or overnight respite in the last week of each month. This care can be tailored to the specific needs of the client and the carer has the option of staying with them and being looked after.

**Community outreach** can take many forms: in home respite, advocacy, advance care planning, assistance with navigating My Aged Care, memoir writing, walking animals/feeding, bin buddies, transport to appointments, cooking and personal care. In addition, there is a loan service for all sorts of mobility aids such as electric beds, lift chairs and scooters.

Rosehaven also offers end of life care, providing a caring and supportive environment for clients and their families, free of charge. Their approach is tailored to the needs of the individual—one illustration is that pets such as dogs are permitted to stay as a comfort for the client. It is

one of only two establishments in Victoria that will provide support with voluntary assisted dying.

The passion and 'person-centred' approach that is the philosophy underlying this organisation was very evident in information provided by our guides, Bianca, the Hospice Manager, and Alicia, the Manager of Grief and Bereavement.

In response to a statement about current needs for Rosehaven, Alan was able to offer them two used but entirely serviceable lap top computers for use by the memoir writers.

**A very interesting visit—thank you Marg for arranging it.**

Material is being gathered to make our stall interesting and there will be an email soon asking for volunteers to man the stall. Make a note in your diary now.

### **District Assembly**

A reminder that District Assembly is coming up in early May and there are sessions of value for everyone, from new Rotarians, to those taking on a position in the new Rotary year and those interested in gaining ideas from other Rotarians. Check last week's newsletter for details of the times and how to book. Each session is one hour in length and conducted on zoom.

### **Knox Nocturnals Youth Program**

The Youth Program that is being run as a Cluster event is taking shape, ready to start at the commencement of Term 3. It will be held every second Friday at Fairhills Secondary College. Volunteers will be required for general supervision roles and helping serve and clean up the meal and possibly to drive participants to their homes in a Budget mini bus. It is hoped that every Club member will be able to help out over the course of the year. This is a valuable activity which aims to connect with disengaged youth in the Knox area. Carol and Jenny are on the Steering Committee so will keep you informed.
