RICON 23—Highlights

At our meeting on June 6th, those present at RICON23 will share some of their personal highlights and some of the ideas and inspiration they have gained from this wonderful event.

ROTARY**

A lot of travelling in the near future for our members:

- Chris is currently in Broadbeach enjoying some sun.
- Marg and Ian head off on Monday for a holiday in the northern reaches of Australia with a journey on the Ghan as part of the adventure. We wish them a wonderful trip.
- Heather and Bob are heading to Brisbane next week and then to Sydney, visiting various members of the family before they fly off to Europe at the end of June. Safe and happy travels to them.
- Jenny and Daryl are taking a major break, leaving on King's birthday weekend to travel across the Nullarbor with their caravan, to spend some time in Western Australia. Best wishes for an enjoyable adventure exploring the west.
- Arshad has had a busy week as he took on the role of Assistant Treasurer for the Host Organising Committee (HOC) for RICON. Well done Arshad!
- IPDG Daryl has also had a busy role for the HOC, as Co-ordinator of Volunteers for the Night at the Museum. He appreciated all the support from the Club members who volunteered and helped make this a successful night. The feedback was that it was a wonderful night and all our members enjoyed being involved. Bob found a new role as the expert in helping people use the lockers to store their coats.
- Members may remember when Eliza Vesey, Marg and Ian's daughter-in-law, gave a presentation to the Club about Event Management. Eliza was one of the key organisers for the RICON 23 signature events. Well done, Eliza!

- Jenny had the opportunity to meet Celeste Mergens, the Founder of Days for Girls. Jenny's DG Partner Project supported Days for Girls. The goals of Days for Girls align very well with Rotary goals and their booth at the House of Friendship gained a lot of interest.

Alan and Robyn are admiring two of the Peace Bells that will be installed in the Botanic Gardens—a project to which our Club contributed.

The End Trachoma booth in the House of Friendship displayed this informative poster. We have contributed a lot of used stamps over the last few years and this illustrates the benefit that comes from such a simple gesture.

A thought for Rotarians quoted by Past RI President Ian Riseley from Bill Bryson's book 'A Short History of Nearly Everything':
"We enjoy not only the privilege of existence but also the singular ability to appreciate it and even, in a multitude of ways, to make it better. It is a talent we have only barely begun to grasp."

Let's support our members in their business endeavours.
