## FOOTY FINALS FUN

This week, instead of a speaker, we enjoyed a bit of fun and interaction, in celebration of the upcoming Grand Final in the AFL competition. This was somewhat to the bemusement of our recently joined member Andy, whose links to the UK are still strong!

Thanks to Chair Jeff, we all participated in a handball competition, firstly AFL style and then rugby style, plus tested our observation skills with a footy quiz. The meal, organized especially for us by Tosaria's, was a delicious hamburger and chips. A lot of fun—thanks Jeff for organizing this and Tosaria's for the effort involved in a very different menu offering.

## DISTRICT AWARD PRESENTATION

A visit to our meeting this week by PDG Ian Ballantine gave him the opportunity to make a presentation to the Club of the District Governor's Citation for 2023-2024, in two categories. These categories were Club Projects and PR and Communications.

As PP Carol was not at the meeting, instead sunning herself in far north Queensland on a well deserved holiday, the award was received by President Jenny on behalf of the Club. Gaining this award once again, reflects the year of success that was achieved in the last Rotary year.

*Well done to PP Carol and all the Club for the hard work that is reflected in the gaining of this award!*

## BENALLA IMAGINATION LIBRARY PROJECT—visiting Rotarian Ann Kimberley

The Benalla Imagination Library runs under licence via an intermediary party from the Dolly Parton Imagination Library. This project is part of the Today Tomorrow program in Benalla which was formed by a group of concerned citizens to address the issue of disadvantage in the town when, in 2010, Benalla was ranked as one of the 5% most disadvantaged LGAs in Victoria. Since its inception and development of programs such as Parents' Early Education Partnership, the improvement in educational outcomes has been remarkable.

The Rotary Club of Benalla has joined this project with a commitment to fund the Benalla Imagination Library to the value of \$10,000 per annum for the next three years.

Children who are enrolled in this program receive a book each month, free of charge, from birth to the time they reach three years of age, when they will then be going to kindergarten. See the graphic on the next page for more detail of how the project works.
