This week's meeting....Something different

A different style of meeting took place this week, to celebrate and acknowledge the many activities that are underway, and to ensure that all members are aware of upcoming dates and roster requirements.

The highlight of the night was the launch of the new website, which has been put together by our new member Andy Round. The website will be a very professional face of our Rotary Club and a wonderful opportunity to showcase our projects and events. An enormous vote of thanks goes to Andy as there has been many, many hours of work required to build this website and populate it with appropriate text and images. There is also thanks due to the committee of helpers who provided information: Alan, Bob, Heather, Stephen and Jenny. A task still lies ahead to link this website to the previous website address, but this should all be done very soon with the website fully operational. Andy appreciated his thank you gift – 15kg of chicken wings to feed his three rescue dogs!

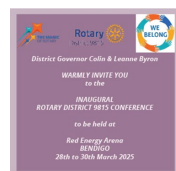

A further focus of the night was an update on the 50th Knox Art Show, coming up on November 8th – 10th. There are many places to fill on the roster to ensure the show runs smoothly, particularly setting up on Thursday and Friday and helping dismantle on Sunday afternoon. It is also hoped that members will attend the Opening Night as this will be a special celebration of 50 years of the Art Show. The google sheet with the roster will be circulated by Rajeev for people to indicate their availability. Once again, a dedicated committee has been working for a long time to bring this event together and deserve our thanks: Rajeev, who is Chair of the Art Show Committee, Alan, Carol, Gary, our Honorary Member James and several members of the Bayswater Rotary Club, Barrie and Ron. The recent task of replacing the worn hessian screen covers with shade cloth covers has brought in more helpers. Bob, Heather, Ian and Jenny joined the team, with the research and purchasing being done by Alan. Opening Night is being organised by a small group of Carol, Kaye and Jenny. A huge vote of thanks to all of these people.

The other upcoming events have all been featured over the last few weeks with beautifully designed flyers and details for booking for those who wish to participate.

The last item to bring to the notice of our members is the support the Club will provide for the Foothills Reverse Advent Calendar Hampers. This year, we are asking members to collect suitable items, maybe adding an item or two to the weekly shop, and to bring them along on November 19th. On Sunday November 24th there will be a packing night, starting at 5 pm at the home of Marg and Ian Vesey, when six hampers will be packed ready for delivery. The balance of the donated items will be delivered to Foothills for them to use to make hampers that are appropriate for their clients according to the household. On this evening, a light dinner will be enjoyed after the packing is finished and anyone attending is asked to bring a plate of finger food to share.

The recommended items for the hampers are shown on a graphic in this newsletter, but this is just a recommendation – you can choose whatever you like, keeping in mind that some of the recipients live in fairly difficult situations. There is also the option to make a complete hamper to donate, if you wish.

MEMBER ACHIEVEMENTS

On the 24th September, Past District Governor, Ian Ballantine attended our meeting and presented a District 9810 Citation to the Club.

Since Carol was away on holiday at the time, President Jenny decided to present Past President Carol with the District Governor Citation for “Club Projects, PR and Communications in 2023-2024” at this week’s meeting.

Well done to the club on the achievement of this prestigious award.

There were four further presentations made at the meeting. The following members were presented with their certificates by our Membership Chair Bob, in recognition of their longstanding Membership of Rotary International and Rotary Service over many, many years.

Since the Club was chartered only 20 years ago Carol, Daryl and Raman also had associations with other Rotary Clubs. It is envisaged that certificates will be presented for every 5 years of service.

COMMUNITY

As we approach the Christmas season, it is timely to think about those who will not have the Christmas that we will have and reach out to them with some Christmas cheer.

In the past, we have taken part in the Foothills Community Care Reverse Advent Calendar and provided individual hampers following the guidelines on the right.

This year we are going to collect items at the meeting on the 19th November, but if you won't be there on that night, just bring along from next meeting.

It is not necessary to stick rigidly to the suggested items.
