'FIT FOR PURPOSE' WORKSHOP REPORT

A recent weekend at a Club Transformation Workshop in Sydney, with Rotary delegates from 83 other clubs in Australia, proved very stimulating for our President and President Elect.

The motivation for such a weekend was to attempt to address the issue of the declining numbers of Rotarians in Australia. The aim was to gather an array of top quality speakers, to provide practical ideas and inspiration to the gathering. Then, with delegates armed with valuable information and inspired to make a change in their Club, Fit for Purpose coaches helped the delegates form a 'fitness' plan to move forward. This plan also responded to aspects of club operation that were reflected in the Member Engagement Health check that each member filled in.

Topics covered by the speakers were:

1. How Did we Get Ourselves into this Membership Crisis?
2. Transformation of the RC Ballina on Richmond & The Rotary Says "No" to Domestic Violence Campaign
3. How do we get Ourselves out of this Membership Crisis?
4. Creating an Inclusive Club
5. Adopting Best Practice
6. Irresistible Clubs from Around the World
7. Public Image and Partnerships
8. Leveraging AI Tools to Amplify Your Club Impact
9. The Missing Millennials
10. Are we relationship material?
11. A Guaranteed Method for Attracting New Members
12. Be a Change Enthusiast

There was much valuable information offered and this will be shared with members in the next few months. One compelling fact is that there is a large number of people joining Rotary in Australia each year, but even more leave each year, with the majority leaving in the first three years of their membership. It is clearly essential to engage new Rotarians and to ensure that their expectations of joining are met. One aspect of this is the need to look beyond the 'meeting, meal, speaker' model that is the staple of many clubs, but which is not necessarily engaging for potential members. Clubs need to be 'service-centric' not 'meeting-centric'.

Much to think about and for us to consider as we plan our future activities.

CLUB GOOGLE REVIEWS - HOW TO...

As explained by Andy R at the Club meeting last week, it is really important that we spread the news about what a great Club we are and what our attributes are, so that we can attract more interest and possibly some new members.

Andy has outlined how to go about it by using the QR Code, then leave your review on the Club's Google Business Profile page.

If unable to scan the QR Code, go to Google Maps and search "Rotary Club of Rowville-Lysterfield." Click on Reviews which will take you to the section where you can add your review by clicking "Write a Review."

When leaving your review, it would be very helpful if you could add some (BUT NOT ALL) of the following language:

- The Rotary Club of Rowville-Lysterfield
- Friendly
- Community focused
- Supportive of many local charities
- Focused on helping local and international projects
- Great supporters of local projects who work with families and individuals who are less fortunate than most
- Cook a great sausage at the Bunnings BBQs

NOVEMBER BIRTHDAYS

9th - Murray, Corinne

19th - Neil W

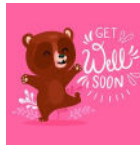

22nd - Arshad

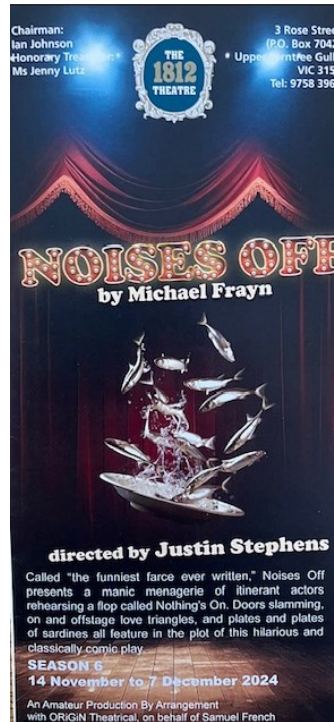

Last Saturday's Coffee and Conversation morning was attended by Gary, Ayanthi, Jenny and Corinne after some very busy Rotary weeks! However, it was a great opportunity to be able to enjoy each other's company and chat about things both in our personal lives and also about Rotary activities.

We all enjoyed a lovely breakfast and headed home to enjoy the rest of the weekend.

The Coffee and Conversation initiative has been very much appreciated by those who have attended over the last few months, especially those who find Tuesday night difficult. The next one is not until after Christmas on Saturday 15th February. All welcome!

Get well wishes go to Heather after her recent hospital procedure and to Daryl who may have contracted the Man Flu!! Get well soon you two!

Next Fundraising Theatre Night at 1812 Theatre on Wed 13th Nov.

At \$20 per head, this is a great fundraiser for the club and a cheap night's entertainment.

"Noises Off" sounds like a very funny play which should be enjoyed by all.

Feel free to let friends and family know and make a night of it by having dinner before the show at the Royal Hotel.

Please contact Kaye to let her know how many tickets you would like.

Put cash in an envelope and give to Kaye at the Art Show or make an arrangement with her to deliver your money.

VOLUNTEERS NEEDED!!!!

Still a few spots on the roster to fill if you can help.

Preparations for the Art Show are proceeding with lots of details being sorted. Special mention and thanks to Ian and Alan who have collected the wire frames on which the paintings are hung and stored them for easier access next week and have spent hours repairing them in preparation.

Alan has devised a way of making it easier to safely attach the spotlights and the frames have been modified to make this possible. Such quiet achievers! Enormous thanks to you both!

Lots of people have commented on the eye-catching road-side advertising signs that have been installed throughout Knox. A huge thank you to Barry Plant Rowville who has installed a number of these, and thanks to Kevin at SMFE for producing the poster, designed by Alan.

The balance of the signs were installed by a working party of Bayswater Rotarians. Very much a group effort for a fantastic outcome.

If you haven't booked your opening night tickets yet, please do so now!! It's a fabulous night to enjoy the artworks (and purchase if you wish), meet the artists and watch the presentation of the awards.

SOCIAL NIGHT AT CRAVE RESTAURANT

Selfie of the group Marg!!

You had to be there!

A group of 18 attended the Social Night at Crave Restaurant on Tuesday night as it was the 5th Tuesday of the month. Many thanks to Kaye, our social organizer, for organizing the night. Great food, great conversation and a very relaxing evening.

It was great to see Linda a friend of Rotary, as we haven't seen her for a while. Also great to see Jenni again (friend of John and Kath). We hope to see both of you again soon.

NEXT BUNNINGS BBQ Friday—15th November

Rosters are on Google Sheets for the remainder of 2024. Please add your name to any upcoming rosters as soon as possible if you can help.

DG Partner Project Ball

This is a very worthwhile cause raising funds to employ a specialist nurse in the cancer centre who will make the cancer journey for children and their families a little easier and less stressful.

Murray, Heather and Bob have booked. Please consider joining them on their table.

Bookings are needed to make this a successful night. Please consider booking now!!

COMMUNITY

As we approach the Christmas season, it is timely to think about those who will not have the Christmas that we will have and reach out to them with some Christmas cheer.

In the past, we have taken part in the Foothills Community Care Reverse Advent Calendar and provided individual hampers, following the guidelines on the right.

There has been a slight change to the Program and so we will need you to bring your donated items to the meeting on the 3rd December and then the packing will happen at Tosaria's on the same night.
