CREATE HOPE  
in the WORLD

**GUEST SPEAKER** – Julie Kennedy, Rowville Secondary College

This week we welcomed Julie Kennedy Principal of Rowville Secondary College. As a mum of 6 children, Julie finds it important to find a school for her own children where they would be happy, safe and supported to be the best version of themselves. Julie believes that a kind and nurturing relationship between all members of a community are the foundations upon which a thriving and positive school culture is built.

The RSC value of Respect, Responsibility, Excellence and Community encourage the student community to be positive.

Julie expressed interest in re-establishing an Interact Club at the college so we are very excited to work with RSC to get this in place.

Julie gave us a great examples of the way the 'Institute of the Arts' campus has engaged students back into the learning environment through music, who were previously disengaged.
