Rowville Lysterfield

At the last meeting

We had the pleasure of greeting our RYLA candidate Thomas Insole this week. Max also welcomed Trish Carr, District 9810 RYLA Chair and partner Les and introduced Tom to the members.

Tom explained the magic of RYLA, the format of the Energiser Seminar being a major learning experience for the participants. Each session enabled the participants to learn by example and recognise their strengths and weaknesses. With a large cohort of 18+ year old's for a week together, the learning meant he felt able to get up and address the entire group with confidence.

Tom got involved in RYLA as he was searching for direction on starting a career. He said the program is a major personal development vehicle with a focus on one on one communications. As an outcome from the program he has now become a Rotoractor, which is fantastic news.

Trish then spoke briefly about the program and told us there were 12 participants from Districts 9810 9820. She said it was great to see the participants development through the program. Finally, there was the presentation of two certificates to Tom and our Club for supporting the RYLA program.

Tiny Sites Launch

On Friday 15 September 2023 we had the pleasure of attending the opening of the container we donated for BP4K. It was great to see our members Marg, who submitted the grant, Ian, Alan and Bob, who assisted with the physical fit-out of the container recognised. Sally from BP4K was extremely appreciative of the donation. A great achievement.
