## David Esmore, Disabled Sailing – Sailability Lysterfield

Chair for this meeting, PDG Daryl Moran, introduced David Esmore from Sailability Lysterfield. David began his presentation by explaining what Sailability does and many of us were excited to learn about the sailing program so close to home, in *Lysterfield!* Sailability makes sailing available to everyone. Lysterfield Sailability is held every Wednesday and every second Sunday between October and April. The facility is excellent providing great access for people with a disability of all ages.

Take a moment to watch the youtube video again. <https://www.youtube.com/watch?v=NDZflrTbF5A>

Volunteers support Sailability to operate and provide an opportunity for clients from special schools to enjoy being able to sail. For those with physical disabilities, this experience is amazing. Clients and carers are encouraged to sail together. No prior experience in sailing is necessary, the sail boats are easy to sail the 1 person Monohull – maximum length 5m (16’4”) or the 2 person Monohull – maximum length 5m (16’4”).

A rescue boat is on the water to assist those who may need a hand. It is wonderful to see the client’s faces enjoying the sail, along with the volunteers.

Sailability is funded by donations and although expenses are not high, donations are welcome.

## Regionalisation - Establishing Community Groups

### Zone 8 Regionalisation Community Groups

Last week we split into four teams and discussed the following survey questions ...

- What are the areas your club is most passionate about? (multichoice)
- List your club's biggest strengths (3).
- List your club's biggest challenges (3).
- What do you imagine your club could achieve with increased support and collaboration?

Thank you for your input and good discussion. All responses are now with Secretary Heather ready for input into the survey. This week we will focus on 'What is your club's preferred primary way of being grouped with other clubs?', as well as our secondary way of being grouped with other clubs. Frequency of meeting with the proposed Rotary Community Group options are -

- Once or twice a year in person
- Three to six times a year in person
- Annually in person, with online meetings in between
- Always or mainly online, once or twice a year
- Always or mainly online, three to six times a year or - Other (please specify)

### Bunnings BBQ – What a Result!

Heather and Bob rose to the challenge when a late notice opportunity came up for the Rotary Club of Rowville Lysterfield to host a Bunning BBQ on Saturday 14 October. The day was a great success and \$2,207.48 was raised. A big thank you to Heather, Bob, Neil W, Kate, Ayanthi, Jeff, Carol, John, Kevin, Rajeev and Anita who responded quickly to the request for volunteers.
