

Rotary Indo-Pacific Advanced Education Fund

Supported by the Rotary Clubs of Australia

and

The Rotary Australia World Community Service Ltd.

A bursary fund to support talented young people in the Indo-Pacific region who lack the means to further their education, while also improving their educational facilities.

4. Philanthropists

There are 300 philanthropists in the RAWCS database that are interested in donating to International Education Projects

We will approach selected organisations from the database to apply for funding support.

5. Government Funding

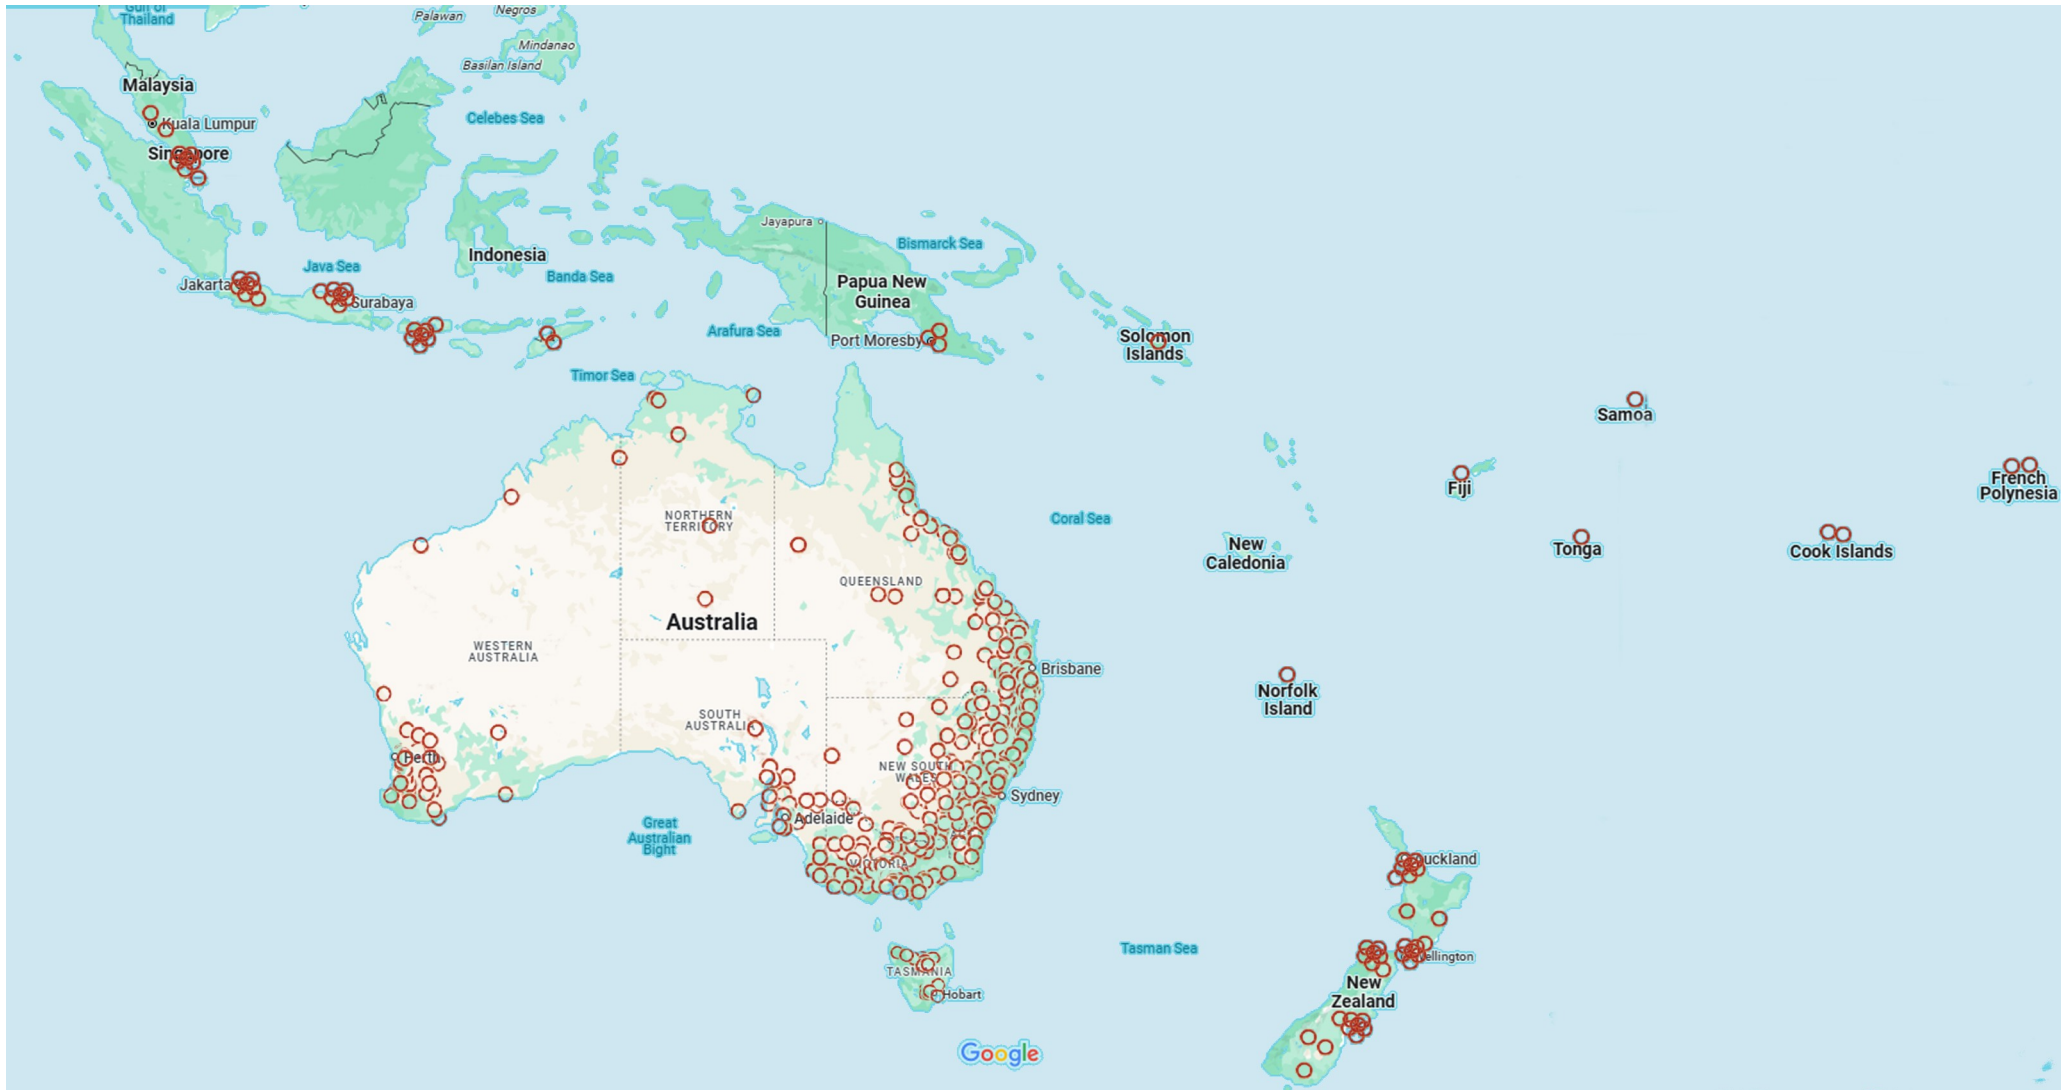

Approach the Australian Government through DFAT to ask for funds to support the project.

The Australian government supports education in the Indo-Pacific region through various initiatives, including scholarships, bi-lateral partnerships, and regional programs focused on quality learning and equitable participation. These efforts aim to improve education access, learning outcomes, and overall wellbeing in partner countries.

Funding can include :- School Fees, Travel, Clothing, Computer, Mobile Phone, Phone charges, Living Allowances, Boarding Costs, Internet Connection Costs, School Supplies.

The Fund will be managed by a committee of Rotarians that are interested in providing access to education for selected students that would otherwise be unable to further their education due to economic challenges. Fund may also be used for improving School Facilities in the Indo Pacific region.
