Last night's meeting - laughter, line dancing and baby photos!

Last night's meeting took a delightful turn away from our usual program, transforming into a relaxed and thoroughly enjoyable social evening for members. With no formal agenda and plenty of room for fun, the night quickly became one of the most entertaining gatherings we've had in some time.

We kicked off with line dancing, led by the ever-energetic Terry (a neighbour of the Morans), who had members stepping, turning and laughing their way through a set of beginner-friendly routines. Even those who claimed to have "two left feet" found themselves joining in, helped along by Terry's patient instruction and good humour.

From there, the room shifted into detective mode for a lively round of "Who Am I?", featuring baby photos of club members.

Jenny ran the session with great flair, as members tried to guess which familiar face belonged to which photo. Some were easy, some were impossible, and a few sparked hilarious debates, but every reveal brought a fresh wave of laughter.

The night wrapped up with a brilliantly crafted Kahoot quiz, again hosted by Jenny and Daryl. This time, the twist came from a series of AI-generated images featuring members of the club in imaginative scenarios tied to the quiz questions. (see photos on p. 2)

Whether it was a member climbing a bridge, captaining a ship or flying above the CBD, the visuals added an unexpected layer of fun. They kept everyone engaged right until the final scoreboard. Congratulations to Norm, who topped the scoring right from round one, with Corinne and Susan coming in second and third place.

It was a night filled with smiles, friendly competition and shared enjoyment, a reminder that Rotary is not only about service but also about fellowship and connection.

A big thank-you to Terry, Jenny, Daryl and Andy for creating an evening that members will be talking about for weeks.

The Kahoot questions included these fabulous "member" photos

The Rotarian Minute Essentials—Rotary Snippets

#31 – October 6, 2024

1' to discover an aspect of Rotary

Our commitment to diversity, equity, and inclusion

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

We value diversity and celebrate the contributions of people of all backgrounds, across age, ethnicity, race, color, disability, learning style, religion, faith, socioeconomic status, culture, marital status, languages spoken, sex, sexual orientation, and gender identity as well as differences in ideas, thoughts, values, and beliefs.

Recognizing that individuals from certain groups have historically experienced barriers to membership, participation, and leadership, we commit to advancing equity in all aspects of Rotary, including in our community partnerships, so that each person has the necessary access to resources, opportunities, networks, and support to thrive.

We believe that all people hold visible and invisible qualities that inherently make them unique, and we strive to create an inclusive culture where each person knows they are valued and belong.

In line with our value of integrity, we are committed to being honest and transparent about where we are in our DEI journey as an organization, and to continuing to learn and do better.
